Comau, Inc. and Wisne Automation Employees Association

Case 7-CA-73073

Dear Mr. Heltzer:

Pursuant to Section 102.46(a) of the Board's Rules and Regulations, Comau, Inc. hereby requests a 30-day extension of time in which to file exceptions to the December 26, 2012 Decision and Order of Administrative Law Judge Carissimi, as well as the time for filing a supporting brief, in the above referenced case. Under the 28-day timetable, exceptions would be due on January 23, 2013. I am lead counsel in this case and will be primarily involved in the drafting of Comau's exceptions and supporting brief. The decision reached us during the holidays, and I had made plans to be out of the office for some time during the first half of January. Accordingly, we hope that you will be able to grant this request for extension.

We assume that Counsel for the General Counsel and for the Charging Party will state their position on this request.

Comau, Inc. respectfully requests that its request for a 30-day extension of time for the filing of its exceptions and supporting brief, i.e., until February 22, 2013, will be granted. Thank you for your consideration.

Cordially.

Thomas G. Kienbaum
